**Tough Girls Academy is a leadership and empowerment organization for young girls ages 7-13. “TGA” will be launched this summer through our non-profit organization Game Changer Solutions (501c3 established in 2013). The goal of TGA is to build confidence, character and true self-esteem in young girls while giving them personal growth opportunities. Our girls have an “army” of professional women that will be mentors, board members and guest speakers. We want all young girls to start recognizing and developing their “super powers”. Some of these skills are effective communication, competitiveness, leadership, goal setting, aggressiveness, physical fitness, risk taking and feeling comfortable with their body type. We want our girls to believe nothing is impossible and for them to utilize the unique network of people in TGA! Knowing you have an “army” behind you will allow our girls to walk taller and attack their dreams. Giving these young girls unique opportunities, challenges and motivation will help develop these attributes. Our Academy offers opportunities for the following:**

<b>Female Sports Nutritionist</b>	<b>Female Sport Psychologist</b>	<b>Sports Vision Training</b>
<b>Strength &amp; Conditioning Coaches</b>	<b>Female Guest Speakers</b>	<b>Female Mentors</b>
<b>Access to Female College Coaches</b>	<b>Team Building Activities</b>	<b>Leadership Training</b>
<b>Community Service Projects</b>	<b>Self-Defense Training</b>	<b>ACL/MCL Prevention</b>
<b>Female Sports PT Specialist</b>	<b>Peer Teaming</b>	<b>Field Experiences</b>

We look forward to your participation as a sponsor and/or participant in this enjoyable event.
